

# Struttura

De collectie Struttura biedt de luxe, en rauwe uitstraling van natuurlijke klei in een lichtgewicht plantenbak.

Vakmanschap en het gebruik van alleen de allerbeste materialen staan aan de basis van dit exclusieve assortiment. Hierdoor zijn alle producten vorst- en UV-bestendig.

Doordat al onze producten met de hand worden gemaakt in onze eigen gecertificeerde productie, zijn kwaliteit en duurzaamheid op alle fronten gewaarborgd.

The Struttura collection offers the luxurious, yet raw look of natural clay in a lightweight planter.

Craftsmanship and the use of only the very best materials are the secret behind this exclusive range. This ensures that all products are frost and UV resistant.

Because our products are handmade in our own certified production facility, their quality and durability are guaranteed in all areas.

Die Kollektion Struttura bietet die luxuriöse Ausstrahlung von natürlichem, rauem Lehm in einem leichtgewichtigen Pflanzkübel.

Fachkompetenz und die Verwendung von ausschließlich besten Materialien bilden die Basis für dieses exklusive Sortiment. Dadurch sind alle Produkte frost- und UV-beständig.

Weil all unsere Produkte in Handarbeit in unserer eigenen, zertifizierten Produktion hergestellt werden, können wir für ihre Qualität und Nachhaltigkeit garantieren.
